

INSTALLATION SERVICES

EDR Inc. is your one stop for all your Material Handling Installation needs. Whether it be a new installation, relocation or adding equipment to an existing installation we have installed every type of rack including: selective, pallet-flow, cantilever & push-back; along with in-plant offices, shelving, mezzanines, lockers, wire fencing and gantry cranes. EDR's capabilities are not bound by state lines, projects have been completed in OH, PA, MD, VA, KS, NY, IA, CA, OR, WI, FL & IN. Fill in the Request for Quote/Data Sheet on reverse and fax to us for your quote.

Rapid Parts, Grand Rapids MI (Installation of storage rack and shelving into new facility.)

RA Miller Industries, Grand Haven, MI (Installation of shelving, rack, wire fencing, mezzanines and in-plant office.)

Northern Food Service, Elmira MI (Installation of drive-in storage rack in a freezer & dry-storage.)

Other projects we have completed:

Sutliff Chevrolet Dealership, Harrisburg, PA (Installation of rack-supported mezzanine.)
